Department Commander John Shanahan

2017 Membership Drive & Current Standings. Here’s an update on our membership drive and current standings: As of the first weekend in March, the Department of France has met its 90% membership goal – and we have done so once again on schedule. This was a busy weekend, with five recruiting initiatives running simultaneously. We had the Department Commander and all Vice Commanders turned out with local Post leaders at BE-02, NL-01, GR-20, GR-45 and EG-02 working to recruit new members. As I sit down to write this article, we have just sent a UPS package for 54 new members to National Headquarters. Congratulations to all on our membership team for once again rising to the challenge and ensuring that we’ve met our goals. Now – we have just two more milestone dates ahead of us – the 95% goal and the 100% goal. At this point, the single most important thing we can do is to turn to the past-due renewal of existing and recently expired members. I ask each and every Post Commander and Membership Chairman to work your Post roster. If last year’s members have not renewed, please call them. Make sure that they renew ASAP. They can either send you a check or renew on-line. Remember – we eliminated the problem with foreign addresses and credit cards in December. And please do the same thing with members who expired in 2015. Most members want to be members, but as we all know, some have the old “round to it” problem. Help them out – and help your Post as well. Think like the Coast Guard and organize a “search and rescue” mission for your membership!

DEC Approves New Temporary Charter for Liberty Post EG-02, Lakenheath, England. I’m very pleased to announce that the DEC held an electronic vote last week to consider and approve the application of new Post EG-02 to submit a temporary charter to National for approval. This action was taken up as an emergency, non-routine measure in order to take advantage of the member count resulting from the uptake of this new Post at RAF Lakenheath and ensure that we might be able to include these new members in our 90% submission.

The American Legion’s Washington Conference. Each year, as Congress prepares to begin its work, the American Legion gathers its leaders in Washington for a week of briefings on the Legion’s legislative agenda and organizes meetings with members of Congress. This was my first year of doing so – and I have to say, it was an impressive undertaking. It was unseasonably warm in Washington last week and with the flowers starting to come out, so did the Legionnaires. The House and Senate office buildings were swarming with members in Legion caps, all out to carry the Legion’s legislative agenda to Congress members. As a registered Texas voter, I joined the Texas delegation for visits with Senator John Cornyn and three House members, including a couple of members that I knew personally from my days as a New York City commissioner. The bullet points and issue papers presented a message that I know is important to each of you. I encourage you to go the Legion’s legislative program at myLegion.org and take a look at what we’re doing to support issues that are critical to you.

Volume 15 / Issue 03 – March 2017
One thing that I came away with is this: Legion membership is a very valuable resource that gets a lot of attention from members of Congress. We had presentations from the chairman of the House Veterans Affairs Committee on Tuesday of last week, followed by the Ranking Member of the Senate Veterans Affairs Committee. Following those presentations, the National Commander spent over an hour and a half meeting with a joint session of the House and Senate Committees, supported by our Legislative Affairs staff and Legion committee chairmen. It was a genuine pleasure to watch the members put aside partisan politics in the House and Senate Committees and focus on what’s best for veterans. That’s how things get done and what we all need.

Our Work with the Department of Veterans Affairs. We had an opportunity to meet with Dr. David Shulkin, our new VA Secretary, and listen to his priorities. A key one – and of interest to veterans in Europe – is the VA Choice program. This program, if fixed and extended, could help veterans living in Europe. How? By getting the VA to sign an MOU with the DOD to extend care services in military facilities in Europe to veterans who have an honourable discharge but did not retire – and have the VA pay for DOD services to veterans on a cost-reimbursement basis. Watch this space as we work this matter by Department and NEC resolution during the next 12 months. The money is in the Choice Program budget to get this job done.

Planning for the American Legion Centennial. Our Department’s Centennial Committee met in Paris again in February to interview a conference planning firm that will be submitting a proposal to work with us to execute the 100th Birthday Part and Centennial event in Paris in March of 2019. Details are due in by March 15th and will be shared at the upcoming Third DEC.

Third DEC Set for Ansbach, Germany. The Third DEC for this year is set for Saturday, March 18 in Ansbach, Germany. Post GR-1982 is hosting this event and is eager to show off its new quarters at USAG Ansbach. We will also have Jeff Stoffer, Director of the Legion’s Marketing, Media and Communications Division joining us to begin making plans for events marking the Centennial of the American Legion and its origins in Paris in 1919. Please hold this weekend open as we will have a busy and full meeting agenda for this DEC.

Plan NOW to Attend the Department Convention. The Department will be holding its 2017 Annual Convention at the BEST WESTERN Leoso Hotel, Ludwigshafen, Germany, on 15-18 June, 2017. We’ve had a very successful convention here in the recent past (2015) and look forward to doing so again. Please mark your calendars and look for the Convention announcement and booking details in the near future.

Department to Consider Fundraising Partnership with National Office. During the recent Washington Conference, I met with National Office’s Director of Fundraising and looked at sample programs that have been executed successfully by other Departments. I suggested that, based on data from comparably-sized departments, we might look at a program to raise €10,000 over a year’s time. I am to receive details of a fund raising proposal over the next week or so and will have it available to the DEC for review at our upcoming meeting.

National Vice Commander’s Visit to Europe. Legion Headquarters has announced that we will have a National Vice Commander visit us for a week in Germany to promote membership initiatives. Arrival is set for 31 March and a visit with Post GR-07 is set for Saturday, 01 April. Sunday, 02 April, he will be traveling to Post GR-20, and on Monday to Ramstein to meet with Posts GR-01 and GR-02. Tuesday, 04 April, he will meet with Post GR-06 and on Wednesday, with Post GR-1982. Thursday, 06 April he will travel to Grafenwoehr to meet with Post GR-45, and on Friday, 07 April, he will depart to the U.S. via Frankfurt. Department Vice Commander at Large Joseph Schram is coordinating plans for his visit with local Post Commanders and we will have this item as an agenda item on the March 18th DEC.

For God and Country, John
My Fellow Legionnaires, SAL Members, Auxiliary Members and all other VIPs;

February started out a bit slow but the end of the month got much busier. I sincerely hope all of you had a good February!

I want to thank our Department Newsletter Editor, Dave Greaux, for his patience with me - I had no internet, nor would my computer work as it should when I arrived home from Washington D.C., just got it working late this afternoon. Don't know what I did but after spending a good 19 hours over 3 days I finally did something it recognized and corrected itself!! Frustrating!! I am not savvy as an IT person (you can tell huh?) – but I'm not afraid to explore around at times and after doing research and a short recovery I got lucky, my internet finally connected and my computer updated and started working properly!

As many of you know I went to Washington D.C. 25 Feb – 2 March to hear National Commander Schmidt and select staff give Testimony before some of our Congressmen/Women. I attended the meeting of the Legislative Commission – very informative!! We discussed the issues we would be taking before the Congressional Party we were to meet with on Wednesday, 1 March.

There were 14 issues to take to the table concerning: National Defense, VA issues; Cannabis research; Caregiver support for those who care for our wounded veterans; Education Benefits; Re-employment Rights; Support of veteran owned small businesses; Request to continue to fund programs to end homeless veterans; Protect the American Flag; and create an American Legion Commemorative Coin (real currency) that would be available 1 Jan 2019 - 31 Dec 2019. National Commander Schmidt and his staff did a SUPERB job of representing all veterans on all issues brought before the Congressional party who met with us – these items will now go before 115th Congress, 1st Session.

A luncheon was held for women veterans on Tuesday. This women's focus group centered around resources and benefits for disabilities caused by, or related to military sexual trauma. In 2016 the American Legion conducted a Women’s Veterans Quality of Life Survey. Of the 4600 participants, over 60% responded that they had experienced some form of Military Sexual Trauma (MST) while 50% indicated that they did not report the incident. The American Legion Women and Minority Outreach team hosted this focus group to educate and inform participants about Veterans Affairs resources available to those affected by MST. Representatives from the National Veteran Legal Service Program and the Department of Veterans Affairs spoke during the luncheon. If you are reading this and were a victim of MST you can contact me for resources to assist you or you can go to http://womenshealth.va.gov to access VA’s health care services. This was also an issue taken for the 115th Congress 1st Session – Institute gender-specific health care for women veterans.

While in Washington D.C. I was given a check from USAA for the Department in the amount of $500. They are a sponsor of the American Legion. Our Finance Officer, Gary Miller, in being prepared for our 3rd DEC, already had his Finance Report ready when he received this information so it is not included in his Finance Report.

My only regret is I did not have the opportunity to see some of our most prestigious landmarks – saves for another, longer, future trip.

Just a reminder that I am hoping there will be write-ups given to me for the “Earl J. Cox” annual FODPAL Award while I am at the 3rd DEC. I know we have Legionnaires who are well deserving of this award – bring them forward so they can be recognized for their efforts within our Department and the FODPAL Group. You can also email your nomination/s with photos to me at NECMaloney@gmail.com.

I am so looking forward to seeing many of my fellow Legionnaires, Auxiliary Members and all Legion Family members at our 3rd DEC on 18 March in Ansbach. I will be arriving Friday evening and staying over through Saturday evening.

In closing I want to wish you and your families all very safe travels!!

Most Sincerely,
Your NECLady
Nola

Travels

During the past month, I have had the opportunity to accompany the Department Commander on a visit to RAF Lakenheath, England. During our weekend stay, we conducted an Oratorical Contest at the Lakenheath high school, and had a membership drive at the AAFES BX. The winner of the local contest was Kylar Cade, a junior. He also competed at the Department Contest on 25 February at Stuttgart, Germany. During the membership drive, we recruited 26 more members for the proposed new Liberty Post EG02.

I also had this month the opportunity to visit GR01 in Kaiserslautern and participated in their annual elections. Congratulations to the new officers of GR01. It was a privilege to visit such a well-established Post and its outstanding membership.

On 23 February, Vice Commanders Buckner and Hale accompanied me to Paris to discuss the American Legion centennial celebration scheduled for March 2019. On 18 March, I will brief the DEC on the progress of the planning for the celebration.

I traveled on 25 February to Stuttgart to attend this year’s Department Oratorical Contest. We had three outstanding contestants but unfortunately only one could be selected as first place. Congratulations goes to Alyssa Saunders, contestant from GR1982 for an outstanding performance. I will be attending this year’s National Contest and look forward to see Miss Saunders compete at the National level.

Convention

The Department of France’s 2017 Convention will be held this year in Ludwigshafen, Germany. The registration form can be found in this newsletter, the Department’s website, the Department’s Facebook page or by contacting me at vcal.schram@gmail.com. Remember, the deadline for registration is 15 May.

New Post

On Thursday, 02 March the Department Executive Committee voted electronically to approve the temporary charter application or American Legion “Liberty” Post EG02, Lakenheath, England. The temporary charter application is now at National for their approval. Congratulations to the members of Liberty Post EG02.

Membership

We are getting closer to the 90% cut-off date and are diligently contacting members who have yet to renew. However, the work is yet to be complete. We have a long way yet to reach our goal of 3200 members. It is up to each Post to ensure that we do our best to get our members renewed and to recruit new members. Each one of us is a recruiter.

This past weekend, the Department and Posts conducted membership drives in Chievres Airbase, Belgium (BE02), USAG Schinnen, the Netherlands (NL01), Spangdahlem Airbase, Germany (GR20), Vogelweh, Germany (GR01), Grafenwoehr, Germany (GR45) and at RAF Lakenheath. While the results of these membership drives are not available at the time of this article, we wish our Posts good luck in their endeavors.

From Friday, 31 March to Friday, 08 April, the National Vice Commander will be visiting our Department with the intent of assisting us with our membership. I have sent out a tentative plan to the Post Commanders in Germany for their suggestions and advice. I have included the draft plan for everyone’s review. Remember, this is a draft plan and is subject to change. If you have any questions regarding the plan, please let me know.

AMERICAN LEGION BIRTHDAY

March 15, the designated birthday of The American Legion, is the day in 1919 when the first American Legion caucus, held by members of the American Expeditionary Force, convened in Paris. Much as the birthday of the United States is celebrated on July 4 – for the day in 1776 when revolting patriots declared the independence of the British colonies and the spirit of America was born – March 15 is the date on which the Legion came to life.

During the month of February I served as the Citizenship in the World merit badge counselor during a weekend at The Hague, Netherlands, for the Boy Scouts of America, Transatlantic Council, Charlemagne District Merit Badge Fair. 25 Scouts discussed current world events and the responsibilities to be a good citizen in the world.

I also participated in a Department of France Centennial Celebration Coordinating Committee (C4) meeting at the Paris Post 1 office. We met with a Paris based events coordinating agency – the same group that is bidding on the Olympics 2024. We’ll have a detailed update to present to the Department Executive Committee on 18 March.

Most American Legion members might recognize the name Mr. Jeff Stoffer as the Editor of the National Legion Magazine. His full duty title is Director, American Legion Marketing, Media and Communication Division. He is also directly coordinating the National Centennial Commemoration with Past National Commander Dave Rehbein. Mr. Stoffer will be present during our 18 March DEC meeting to learn more about our Department of France plans for the Paris centennial celebration and to meet with Department of France members.

I will be at the U.S. Army Garrison Schinnen, Netherlands, on 4 March to help the newly revitalized Margraten Post to inform the community about the American Legion and the reasons why the military and veteran community in the Netherlands would benefit from a strong active American Legion Post. I will also participate in the Margraten Post membership meeting at USAG Schinnen on 25 March. If you know veterans living in the Netherlands that are not yet members of the American Legion but want to be members, please share my email address CRLHL@HOTMAIL.COM so we can help. Thank you.

GR 09 honors victims of WW II plane crash

On Saturday 25 February 2017 thirteen GR 09 Legionnaires and guests Reiner Miene, President of the 1906 formed Ulm Traditional German Artillery Association and Josep Walz, Bürgermeister of Pfaffenhofen participated in a wreath laying ceremony at the crash site of a B-17 Flying Fortress bomber that crashed during a bombing run on Ulm, Germany on 22 February 1945. The plane which had been “patched up” after being hit with flak on a previous flight encountered turbulence when descending to 17,000 feet and plunged to the ground when the fuselage of the plane broke apart. Three crewmembers were able to parachute to safety but seven were unable to exit the spiraling aircraft and perished.

In 2012 the nearby town of Pfaffenhofen erected a stone monument at the crash site and GR 09 members have pledged to maintain it and ensure that its appearance would always be fitting for a memorial honoring these seven American heroes.

After a brief speech by GR 09’s Post Commander Aman Pfaffenhofen’s Bürgermeister Walz thanked GR 09 for organizing this event and paying tribute to those who died in the service to their country and hoped they will continue with this ritual.

St Patrick’s Day, on March 17, remembers one of Ireland’s patron saints, St Patrick. It largely celebrates Irish-American culture in the United States.

St Patrick is one of Ireland’s patron saints and many Americans with Irish ancestry remember him on March 17. Patrick’s Day is fixed on March 17, but may occasionally be moved by Catholic Church authorities. This happened in 1940, so that the celebrations would not fall on Palm Sunday, and in 2008 to avoid Holy Monday, the last Monday before Easter Sunday.
