DEPARTMENT COMMANDER  James Dennis

Fellow Comrades,

We have had a busy month in September. We had an Awareness drive every weekend. I would like to thank all the Department staff and the Posts for their diligent work in making this Department strong. I would also like to thank LeLand Zickuhr and Miguel Ramos Jr. for stepping up to be the Commander and Adjutant for Rammstein Post Gr02.

I have received some e-mails of concern to which I am inquiring into. Do not be surprised if I call you post this month an ask a few questions.

We are coming up on the 2nd Department Executive Committee meeting in the Netherlands on the 21st of the month. We have a lot of business to attend to. I hope to see all of you there.

Thank you…James Dennis

DEPARTMENT NECMAN  Nola Maloney

My Fellow Legionnaires, SAL Members, Auxiliary Members, Legion Riders and all other VIPs;

You may not realize it but our MY2018 is nearly one third over. We have made great strides in membership renewals and recruiting new members and we are working programs which make up the Four Pillars of the American Legion. Please make sure you capture and record what all your Post members are doing and record it on your annual Consolidated Post Report.

Disaster relieve for Texas, Puerto Rico and Mexico are still needed. Whatever you can give to the National Emergency Fund will be greatly appreciated.

The American Legion 100th Anniversary Commemorative Coin Act. The Coin Bill passed the House; now goes back to the Senate and then to the President for signature. The coin, once approved all the way up, will be produced by the U.S. Mint in celebration of the American Legion turning 100 and proudly representing and supporting millions of veterans. Coin will go on sale January – December 2019. Proceeds from the sale of this coin will benefit the Four Pillars of the American Legion.

Rule 8-b of the National Executive Committee of The American Legion states that a legislative program shall be prepared for each session of the Congress by the National Legislative Commission and submitted for action of the National Executive Committee. There were 27 Adopted Resolutions with legislative intent from the 99th National Convention in Reno, Nevada and approved by the NEC that went forward to the 115th Congress.

~ 2 ~
are as follows: Legislative Res No. 88, National Security Res No’s. 17, 19, 20, 21, 22, 23, 40 and 70; Veterans Affairs and Rehabilitation Res No’s. 3, 8, 13, 14, 16, 28, 41, 47, 74, 75, and 79; Veterans Employment and Education Res No’s. 26, 78, 81, 82, 83, 84, and 85. These can be seen on the Legion.org website. During this report it was also mentioned the American Legion Auxiliary continues to be a valuable asset to The American Legion Family and its grassroots lobbying ability. The prolific letter and emails, countless phone calls and numerous office visits by Auxiliary members is amazing. Only through a united effort of Legionnaires, Sons and the Auxiliary can our legislative goals be realized.

I was honored to attend the Annual Reunion of China Post 1 (General Membership Meeting) September 22-24. During the meeting I swore in all the new and re-elected officers. Post Commander remains Ron Burkett, Post Adjutant James Lint, 1st Vice Hans Stockenberger. Congratulations to all the outgoing Officers for a successful year and to the new or re-elected Officers on being chosen to carry on the Legacy in the ensuing year. The meeting was informative on where they are today and what they need to strive for in the future.

Legion College: The American Legion Education Institute ”A.L.E.I.” is developing a Post on-line format and course material (power point, videos, instructor guide, packing list, etc.) for level presentations delivered by members to develop and educate Post peers. This will include suggested group discussions designed to develop a Post plan of action. They are also developing a Department level American Legion College – this will require a National American Legion College graduate as potential instructor base to facilitate training in resolution writing, parliamentary procedure, leadership, goal-development, train the trainer, communication, etc. More information on this will be available shortly.

Don’t forget the Department also received three awards from Foreign and Outlying Departments and Post of the American Legion (FODPAL) – these to be disclosed and presented at the 2nd DEC, 21 October in the Netherlands.

**FINANCE NEWS:** I will close the books on 15 October. If you have receipts to turn in for reimbursement this is what you will need to do: Add up all your receipts, send me an email of how much they are, place them in a folder with your name on it – I will take them from you at the 2nd DEC. No folder w/receipts means no money. If you are a Committee Chairman or Post who will need budgeted money before we meet for the 3rd DEC I want to know that. If you up-front the cost of a program then when event/program is completed turn in the receipts for reimbursement. No matter what money is given out – I will want receipts and return of excess funds not used when event is over (these can be used in other critical programs we have/need).

On-Line Renewal checks to Posts will be passed out at 2nd DEC.

Eiffel Towers – I have several companies sending quotes to make Eiffel Towers for us. Hopefully I will have a cost by the 2nd DEC.

Emblem Sales – I will be sending out the Emblem Sales reimbursement requirement to each person who had Department orders since the Convention. A copy of the Emblem Sales Receipts will be given to each person involved.

We are still working on the issue for those Posts who have US bank accounts or ones who have foreign accounts but can get US dollar checks for bank to bank transfers or a check from your bank to Departments account at Pentagon Federal when making transmittals. More on this at the DEC and in the next Newsletter.

93rd Annual Department Convention Coin – Ludwigshafen, Germany. There are still coins available, if you would like one see the flyer in this newsletter. Many of our members live in the U.S.A. and cannot attend the Annual Convention but do collect Challenge Coins – this is a way they too can get one of the coins.

With that I will close out this month’s article with wishes for a safe October, a successful month and safe travels for all!!! I look forward to seeing many of you at the 2nd DEC, hosted by NL01 in the Netherlands, 21 Oct 2017.

Most Sincerely, Your NECLady Nola...“No matter our outward differences – we’re all in this together” President O’Bama – during his outgoing speech in office.
DEPARTMENT OF FRANCE 93RD ANNUAL CONVENTION COIN

In the sale of our Department Centennial Coin I have had members and one non-member ask me about our Annual Department Convention Coins. Many of our members live in the USA but are coin collectors and would perhaps like to have one for their collection.

Below is what the 2017, 93rd Annual Department of France Convention Coin looks like from Ludwigshafen, Germany. If you would like to have one please make your check or money order for $6 plus $3 for shipping to:

My fellow Legionaries
As your Department VCAL I will ask you what a Legion member asked me...“do you know what the value is of being a Legionnaire is” its being able to support your family, your community, your Nation, Our past Veterans, our Veterans, our future Veterans, Our Child Welfare, Americanism just to mention a few. Sept was a very busy month for me. On 16 September 2017, Wiesbaden Post GR 07 conducted an Legion Awareness Drive and had an excellent turn out. Post Gr 07 picked up 21 new members, 1 Renewal, 1 new member for GR 14 Total 23 Members Signed Up.

Thank you to Post Gr 07 members for their support in hosting this annual Legion Awareness Membership Drive for 2018 GR 02. Went slow but we have appointed a Commander and Adjutant. We are working on the next meeting to be in Rammstein. Thanks to Commander Leland Zickuhr and Adjutant Miguel A Ramos jr. Thanks for step up for the job GR 02 will be running. GR 06 conducted an Legion Awareness Drive, picked up 16 new members and 2 renewals thank Commander Tyler - Membership Chairman Heacock and Finance Officer Gary Miller. The Membership are doing good but we still have post out there had not transmittal not 1 member this year IR 01-IR 63—EG 02—GR 20—GR 13. It is time to transmit. 5 Months have gone by, do not sit on your transmittal. The 2 DEC will be host by Margraten Post NL01 Oct 21 2017 and Sal 2 DEC 7 Oct hosted by GR 79 Heilbronn.

We must remember the ideals of what the American Legion stands for, justice, freedom and democracy. We are here to support our veterans, their families, our communities and the care of our veterans through the programs set out at the National Level. Many of our Posts need to be more involved with these programs, I would strive to make that happen. All Post Commanders need to properly display your POW-MIA Table, American Flag and your Post Legion Banner at all your meetings.

I look forward to getting out to each post and assisting in any way I can.

Thank you, and as always, remember if you need to contact me I am just an E-mail away vcalbrown50@gmail.com / M-0170-1888034. In closing, please keep those in harm’s way and their families, not only in your thoughts but your prayers as well.

From the 2nd DEC Committee...

We are very excited to see the amount of interest from Department Officer’s and Post Members to attend the upcoming DEC! Due to this high level of interest, room availability at the co-located General Eisenhower Hotel has over-exceeded expectations. We initially blocked ten rooms of the twenty-room facility. Hotel Staff has booked some of the remaining ten rooms to other military members on official duty. We currently hold twelve reservations (confirmations below) with only three rooms, one-night stay options available.

**Double Room #18 Turkish theme, 20 Oct only**
**VIP Room #02 Dutch theme, 20 Oct only**
**VIP Room #01 Greece theme, 21 Oct only.**

Therefore, we have contacted local hotels for information, pricing and website addresses for consideration. While there are many other options out there, these three locations I can personally vouch for and they are listed in proximity to the DEC.

1. **Golf Hotel Brunssum**- three min drive. Extremely nice facility and amenities. Apartments, suites and luxury accommodations ranging from €89–€140. Wifi and breakfast included. [http://golfhotelzuidlimburg.nl/de](http://golfhotelzuidlimburg.nl/de)
3. **City Hotel Geilenkirchen**- twenty min drive. Comfortable facility situated near the Geilenkirchen City Center and main Train Station. Rooms, studios and apartments ranging from €70–€94 per night. WLAN available. Breakfast NOT included, cost €4.50 or €8.80 (buffet). Nearly 30,000 Service Members Involved in Irma Response

WASHINGTON -- The Pentagon has mobilized nearly 30,000 military personnel for recovery operations along Hurricane Irma's devastating path from the U.S. Virgin Islands up to the eastern mainland, where it carried tropical storm-strength winds north of Atlanta, defense officials said Wednesday.

By Wednesday, the bulk of the military response, some 19,000 troops, were focused on Florida, where they were conducting road clearance, supply delivery and search and rescue operations throughout the entire state, according to Pentagon and Florida National Guard spokesmen. Additional troops could be called into the state in the coming days, they said.

Irma impacted virtually all of Florida, hitting the Keys early Sunday as a Category 4 storm and making landfall just south of Naples before moving north into Georgia. Officials have blamed Irma, the most powerful storm ever recorded in the Atlantic Ocean at one point, for more than 60 deaths along the storm's path including more than a dozen in Florida.

Some 8,000 members of Florida's Army and Air National Guard were leading the military response, which officials said could last several weeks as they have in the wake of Hurricane Harvey. Thousands of National Guard troops remain on the ground assisting with relief operations nearly three weeks after that Category 4 storm struck Texas' coast Aug. 25.

"The next days and weeks will no doubt be trying and exhausting as we begin to rebuild," said Army Maj. Gen. Michael Calhoun, the top Guard officer in Florida. "But no matter what this storm has brought, know that you are not alone."

In addition to search and rescue and route clearance missions, Guard members in Florida were assisting at more than 250 temporary shelters set up throughout the state. In Georgia, 1,100 National Guard members were on duty conducting similar operations, said Desiree Bamba, a Guard spokeswoman.

Five Navy warships full of sailors and Marines were positioned Wednesday off the coast of Florida, primarily to provide aid to the Keys. The ships, carrying dozens of helicopters and tilt-rotor aircraft, were prepared to provide aid wherever they were needed within Florida, according to the Navy. On Tuesday, Marines and sailors operating off those ships delivered more than 52,000 pounds of supplies and equipment to Key West. They were continuing those operations Wednesday, according to a statement from the 26th Marine Expeditionary Unit.

Nearly a week after Irma passed through the U.S. Virgin Islands and Puerto Rico on Sept. 7 as a devastating Category 5 storm, nearly 10,000 U.S. troops were continuing to provide relief operations there, primarily from several Navy ships positioned around the U.S. territory in the Caribbean Sea.

Marine and Navy helicopters from the USS Kearsarge, an amphibious assault ship, and the USS Oak Hill, a dock landing ship, were evacuating people from St. Thomas to St. Croix and delivering supplies to other islands in the American territory, according to a statement from U.S. Northern Command. Marines and National Guard members were conducting road clearance and distributing supplies.
The USS Wasp, an amphibious assault ship, and the USS McLean, a cargo ship, were also conducting relief efforts on the islands, according to the Northern Command statement.

Military personnel have rescued or evacuated more than 1,600 people from hard-hit islands in the American chain, according to the Pentagon.

The Pentagon has described its response to Irma as "massive." The response could grow as large as the military response to Hurricane Katrina in August 2005, when some 50,000 troops helped in relief operations in the wake of the storm that devastated areas of Louisiana and Mississippi.

HOUSE PASSES ROE, WALZ RESOLUTION AUTHORIZING AMERICAN LEGION CENTENNIAL COIN

WASHINGTON, D.C. - Today, Reps. Phil Roe, M.D. (R-Tenn.) and Tim Walz (D-Minn.), Chairman and Ranking Member of the House Committee on Veterans' Affairs, respectively, released the following statements after the House passed Roe and Walz’s resolution to authorize the creation of a commemorative coin in honor of The American Legion’s 100 years of service to America’s veterans.

"Since 1919, The American Legion has dedicated itself to serving our nation's veterans," said Roe. “I'm proud to stand with Ranking Member Walz and my colleagues in the House today to honor the Legion’s century of service by authorizing the creation of this commemorative coin in honor of The American Legion’s 100 years of service to America’s veterans.”

“For nearly a century, the American Legion has worked tirelessly day and night to improve the lives of our veterans and their families, and for that reason, words cannot express the gratitude I have for the men and women of the American Legion,” said Walz. “As both a veteran and a legislator, I see firsthand the results they achieve for veterans on a daily basis. That is why I am honored to stand alongside my dear friend, colleague, and fellow veteran, Chairman Phil Roe, as the House passes the American Legion 100th Anniversary Commemorative Coin Act.”

The American Legion 100th Anniversary Commemorative Coin Act would authorize the U.S. mint to produce a commemorative coin for The American Legion’s 100th anniversary of its founding in 1919. The mint would issue the coins for a one-year period beginning January 1, 2019, and proceeds from the sale of the coins would support The American Legion’s program and services, which fall under four categories: Veterans Affairs and Rehabilitation, National Security, Children and Youth and Americanism.
