

The American Legion Flanders Field Post BE02

COMMANDER'S MESSAGE

Summer is now more than half gone and I am hoping that everyone has been enjoying the time. June was a very eventful month with the National Commander's visit and the Department of France's convention. I want to thank the members who come out to help with these events.

Since the 1st of July, the Post has started its 2017 membership campaign. Our goal is to reach 100% (105 members) by 01 December. It is my goal to recruit another 45 members to reach at membership of 150. 1st Vice Commander Paul Haney has taken the lead this year to obtain these goals. His first endeavor was an Information Table at the AAFES PX on Saturday, 02 July. He was able to recruit one new member and renew two members. We must remember that membership is our lifeblood and everyone is a recruiter. If you know of anyone interested in the American Legion, provide them with an application.

At this time, we have had 29 members renew their membership. Our next membership awareness event will be at the AAFES PX on Saturday, 06 August. If you have the time, please come out and support us.

Membership is not our only endeavor. We strive to support a Post Level Oratorical Contest, Boys State/Girls State, an Adopt-a-Grave program, A Venture Crew, an Orphanage Christmas Party as well as many smaller functions and ceremonies. If you have the time and opportunity, please come out and help.

I look forward to seeing everyone again after the summer months. Our next meeting will be on Saturday, 27 August at the USAG Brussels compound starting at 10:30.

Adopter Appreciation Day

We will be conducting our 2nd annual adopter appreciation day event on Saturday, 17 September. The official ceremony will start at 11:00 at the Flanders Fields American Cemetery followed by a catered lunch at the OC Niewenhove in Waregem.

This is a special event that supports our relationship with the Belgian community. This event is to thank our Belgian adopters for their efforts in remembering our fallen American Heroes. The event is open to everyone .

To properly conduct this event, we need help from our membership with various tasks during the day. **We need at least 10 members to help.** If you can support this event, please let us know as soon as possible.

BOYS STATE / GIRLS STATE

"Girls State has taught me so much about the American government that I did not know before. I have learned a lot, made some amazing friends, grown confidence in my public speaking skills, and overall had an amazing week. I would also love to thank everyone in charge who made it possible for me to attend this incredible program" stated Josie Whitaker, a Senior at the SHAPE American High School. Shamus Phelan and Andrew Morrison also from the SHAPE American High School completed a week long Boys State Program at McDaniel College, Westminster, Maryland while Josie Whitaker attended the Girls State program at Salisbury University, Maryland.

Boys state was a great experience where you get to meet new people, learn about government, and learn about yourself. You will gain discipline and an understanding of others. Five stars. (Andrew Morrison)

I enjoyed Boys State very much. The motto for the Maryland Boys State program was "A Week That Shapes a Lifetime" and it certainly lived up to its name. It offered a very hands on approach to American political procedures and even offered a political simulation that allowed us to run and participate in various offices at the state level. I personally ran and was elected to the positions of State Senator, City Councilman, and Federalist Party Chairman. I learned a great deal from the experience, which included guest speakers and even prestigious members of the Maryland House of Delegates. (Shamus Phelan)

Hail & Farewells: Summer

Each year will learn that members of the Post move to new locations. This may be because of reassignments or inkling to return back to the USA. Whatever the motive, please let us know of your pending move.

New Membership Year for 2017

July begins the new membership campaign for year for 2016. I would be honored if you would renew with our Post here in Belgium. With your help, we can continue to represent and assist our veterans, service members, their families and the community through our many projects and programs.

Your membership actually expires on December 31st of the paid year shown on your card. It can be a little confusing sometimes because your annual dues are supposed to be paid by January 1st each year so National starts accepting dues for the upcoming year on July 1st. The goal is to have everyone renewed for the new year by January 1st, when the year begins.

The easiest way to renew your membership is online. Follow the directions on the following webpage: <http://www.legion.org/renew>.

A second way to renew is to deposit the \$35 into the American Legion Post BE02's account with Andrews Federal Credit Union. If you choose to this method, make sure you include a comment with your name.

Another means to renew as well as join is to visit our information table during at our membership information table on 06 August at the AAFES PX on Chierves Airbase.

You can also send a check of \$35 to the following address:

American Legion
Unit 28100, Box 017
APO AE 09714

I look forward to hearing from you and welcoming you to the American Legion Post BE02.

**BLOOD DONATION
PROGRAM**

The American Legion is the largest collective blood donor to the Red Cross. The most important part about donating blood is to remember that it saves lives. Waiting for an emergency to donate will not get the blood to the receiver in time.
