

# The American Legion Flanders Field Post BE02

## COMMANDER'S MESSAGE

The past 3 months have been very exciting for Post BE02. We started with the Post Level Oratorical Contest in January followed by the Department Contest in February. The Post also sponsored for the first time a candidate for the 'Eagle Scout of the Year' scholarship. This candidate was the only application received by the Department of France. Our next endeavour was the sponsorship of candidates for both the Boys State and Girls State programs. I would like to thank the selection committee for their difficult task of selecting a candidate from the several very qualified applicants.

Post BE02 would like to welcome a new addition to the American Legion family. In February, the charter application for the American Legion Auxiliary "Flanders Field" Chapter was approved by Department and sent to National for final approval. I would like to welcome President Ruth Alvarez and her members to the American Legion Family.

Our last meeting was held at the bowling center on SHAPE. We had an excellent turnout to the meeting and the games of bowling. Pictures of the event can be seen on our Flickr account.

Our next meeting will be held on Saturday, 25 April at the USAG Brussels compound starting at 10:00. This is the meeting that we select our Post officers for the next year.

## MEMBERSHIP

At this time the Post BE02 membership has reached a high of 70 members. Unfortunately we have 14 members that still need to renew. Several of these members have PCSed back to the USA but I would like to ask them to renew and transfer to a Post located near them.

Membership is our strength. Without members we cannot continue with the myriad of programs and activities that we currently perform. As our membership grows, we can pursue more events that help our veterans, their families and the community.

If you know a veteran, ask them if they want to join the American Legion. We are all recruiters.

*Together, we make difference*

*The American Legion was chartered and incorporated by Congress in 1919 as a patriotic veterans organization devoted to mutual helpfulness. It is the nation's largest wartime veterans service organization, committed to mentoring youth and sponsorship of wholesome programs in our communities, advocating patriotism and honor, promoting strong national security, and continued devotion to our fellow servicemembers and veterans.*

*The American Legion's success depends entirely on active membership, participation and volunteerism. The organization belongs to the people it serves and the communities in which it thrives.*

## VETERAN SERVICE ORGANIZATION (VSO)

Accredited American Legion service officers are specially trained to provide expert assistance, free of charge, to veterans and their families. While the majority of a service officer's work involves application for VA disability benefits, these compassionate professionals also provide information, referrals and resources on education, employment and business, death benefits and other important topics.

You served your country, and in the process you were injured. It could be a bad back. It could be loss of limb. Or maybe you're not sure if you're entitled to any government benefits. American Legion service officers file thousands of VA claims each year on behalf of America's veterans. And the Legion's Benefits Calculator can help you prepare to file a claim.

## ADOPTER APPRECIATION DAY, 22 AUGUST

The Adopt-a-Grave program is now 1 year old. On 09 April 2014, Post BEO2 initiated the program and within 2 months every grave was adopted. We held an adoption ceremony on 16 August 2014 with speeches from the American Ambassador and the Mayor of Waregem. After the speeches, Certificates of Adoption were given to about 300 adopters. The Adopt-a-Grave program has been televised on 3 different Belgian networks, as well as AFN. There have been about 10 newspaper articles written about the program from newspapers from around the USA.

On Saturday, 22 August, the post will be conducting Adopter Appreciation Day event. The event will begin about 11:00 with a small ceremony at the Flanders Field American Cemetery. We are hoping for a representative of the US Embassy and the Mayor of Waregem officer to attend. Following the ceremony, the activities will move to a park in Waregem. We are planning to have a American style BBQ, music, exhibitions and static displays. These exhibitions will be provided by the individual adopters to show what has been learned about the soldier. The Venture Crew 511 will have demonstrations and other activities planned.

Relay For Life is a festive event for all ages that focuses on solidarity and fund-raising for the fight against cancer. During 24 hours, the community players of a city, town or locality mobilise themselves in order to:

- Celebrate and pay tribute to the people who have conquered cancer, and support those who are

still fighting the disease;

- Remember the people who have lost their fight against cancer and to support those who are still fighting the disease;
- Stand united in the fight against cancer.

The 24 hours is a symbolic gesture of the constant battle patients and their families must endure in the fight against the disease. Relay For Life is not a competition! But a gathering of communities united in the fight against cancer
